

The timber treatment operations of

Södra Wood Ltd

Peel Ports Medway, Sheerness Docks, Kent ME12 1RS

have been assessed and certified as meeting the requirements of the Wood Protection Association

Benchmark Quality Scheme

for the preservative impregnation of the softwood components listed below in accordance with the standards and practices defined in the WPA Manual - Industrial Wood Preservation:

Softwood preservative treated with Koppers Celcure C65 and Protim E406 in accordance with BS8417 for constructional applications.

Detailed clarification of the scope of this certificate and the applicability of the Benchmark quality scheme is available from the Wood Protection Association.

This scheme does not confirm compliance of the preservative used with British Standard or other specifications - that is the responsibility of the preservative manufacturer.

This certificate of conformity is valid from the date indicated for twelve months and remains valid subject to satisfactory surveillance visits.
